

## Drake Realty's Preferred Lender

Agents,

We are excited to partner with Academy Mortgage Corporation as our Preferred Lender. This was not a decision we took lightly as we spent EXTENSIVE time researching and interviewing various Loan Officers and Lenders, and we feel confident that Academy will provide the best overall experience for you and your clients in terms of Responsiveness, Customer Service, Loan Programs, Competitive Rates, and their unique Credit Tools to help you qualify more clients.

Our team is comprised of 2 Senior Loan Officers, Jon Maguire and Laszlo Toth. Working with one of our partners is an advantage for our agents given we know and trust them personally and know they are committed to getting our clients into the best loan for their needs. To provide optimal & personalized service, each of you has either Jon or Laszlo assigned as your dedicated Academy Loan Officer from who you should receive continuous email communications. However you can always feel free to contact EITHER of them anytime and they will be sure to take care of your needs!
